DATE AND TIME: November 1, 2012, 10:00 a.m. - 5:00 p.m.
Eastern Time

PLACE: Webinar format

SUPPLEMENTARY INFORMATION:

Status: The meeting will be open to the public.

Purpose: The Advisory Committee provides advice and
recommendations on a broad range of issues relating to grant
programs authorized by sections 222 and 749 of the Public Health
Service Act, as amended by section 5103(d) and re-designated by

section 5303 of the Patient Protection and Affordable Care Act of 2010.

At this meeting, the Advisory Committee will finalize its report on the inter-professional education of primary care providers. The Committee will also select a topic for its next report and begin planning how to approach the writing of that report. The Committee's reports are submitted to the Secretary of the Department of Health and Human Services; the Committee on Health, Education, Labor and Pensions of the Senate; and the Committee on Energy and Commerce of the House of Representatives.

AGENDA: The meeting on Thursday, November 1, 2012, will begin with opening comments from HRSA senior officials. Work on the Committee's tenth report on inter-professional training of primary care providers will begin with an update by the report's writing group. The Committee will then complete the report and approve the final draft. Before the next major agenda item, HRSA staff will present a brief update on the Agency's efforts in the area of interprofessional oral health clinical competencies. Much of the remaining meeting time will be spent on determining a topic for the next report, establishing a writing group to guide the writing process, and developing a

report outline. The Committee also will plan for the next Advisory Committee meeting, which will be a face-to-face meeting in April 2013, and determine report work to be done in the interim. An opportunity will be provided for public comment at the end of the meeting.
